Adarac Truck Racks conform to the shape of your cab

The Adarac™ Truck Rack mounts with NO Drilling.

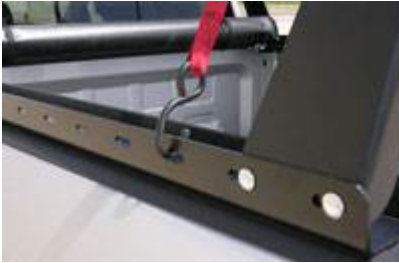

[Adarac Truck Rack Instructions](#)

Adarac is a stylish tonneau truck rack

- The sleek Delta shape of the Adarac™ contours to the cab for a low profile and sturdy design.
- Legs feature a black powder coat finish, with tie-down openings. Durable 1¼" Gator Shield™ galvanized steel cross bar won't chip, and looks great after years of use. The Crossbar works with universal accessories.
- Adarac™ easily attaches to truck bed with sturdy, stake pocket inserts.
- Works with Access Brand tonneau covers and other inside the rail tonneau covers on Ford, GM, Dodge and Chevy trucks.
- The full length tie down rail allows for quick and easy tying down of all cargo with the ratchet straps or bungee cords.
- The Adarac™ sits neatly behind the cab with no obstruction of view, and is capable of carrying a 500 lb. load with ease.

- Each Adarac™ is made model specific for the best fit on most Ford, GM, Chevy and Dodge pickup trucks.
- Constructed from sturdy, powder-coated steel.
- UPS shipping weight 85-98 lbs.

Adarac truck racks make tying down cargo easy

The Adarac Truck Rack mounts with inserts that go into your stake pockets

FREE SHIPPING on the Adarac Truck Rack within the lower 48 United States! For shipping to Alaska or Hawaii, please call 1-888-877-2257.

Most products shipped by U.S. Rack are delivered to the customer using standard FEDEX ground shipping. Transit time can take up to 5 business days. Processing time especially during the spring/summer season prior to shipping usually takes 1-9 business days after the order is received. However, this may vary so please assume it will take at least 9-14 days for delivery. If you have a certain date by which you must receive your rack, please contact us at 1.888.877.2257 so we can ensure that we ship it in time. An extra fee may be required for expedited processing or delivery.
