

## History Snippet of 2<sup>nd</sup> Generation Toyota Tundra that will work with our Toyota Truck Racks

### Second Generation (2007-Present) continued

Some other changes Toyota included in the new Tundra are optional tow mirrors, a 26.4 US gal (100 L; 22 imp gal) fuel tank, available 22-inch (560 mm) alloy wheels, [backup camera](#), [Bluetooth](#), large center console (big enough to fit a 15-inch (380 mm) laptop), extra-large disc brakes and calipers, and the aforementioned 6-speed sequential automatic transmission.

All 5.7-liter Tundras come equipped with a tow package which includes engine oil and transmission coolers, integrated trailer hitch, 4.30:1 axle ratio, and large braking hardware for increased fade resistance. Equipped with the 5.7-liter V8 the Tundra has a maximum tow rating of 9,000–10,400 lb (4,100–4,700 kg) depending on body configuration. Toyota began rating the Tundra under the [SAE J2807](#) protocol beginning in 2010.<sup>[8]</sup>
