Sport Trac Dual Rack on Ford Sport Trac

Sport Trac Dual Rack works with

The Ford Sport Trac Truck Rack is a
kayak rack, canoe rack, or ladder
rack.

The Sport Trac Rack mounts
without drilling a hole!

Thule, Yakima and Malone Accessories.

Rear Rack adjusts in height and front adjusts from front to back.

Yakima, Thule and Malone Accessories all fit the Sport Trac Dual Rack.

- This multi-purpose truck rack carries Kayaks, Canoes, Ladders, Lumber or other cargo weighing up to 250 lbs.
- Model 2009-3ST is designed specifically to fit the Ford Explorer Sport Trac.
- Installs without drilling on to your Ford Sport Trac and holds securely. It can be removed in less than 5 minutes and can be easily disassembled for more compact storage.
- Model 2009-3STT is a new model that is designed specifically to fit the Ford Explorer Sport Trac with standard Ford Tonneau cover in use.
- Unique Truss-design dual crossbar features a rectangular bar about the same size and shape of a Thule crossbar on one side and a round bar about the same size and shape as a Yakima crossbar on the opposing side. If you want mount accessories on your truck rack for carry kayaks or canoes, you may switch which side of the crossbars are up and mount Thule, Yakima, Malone or other brand accessories.
- Light-weight but powerful, our unique TRUSS crossbar is based on one of the sturdiest structures known to nature and engineering, and each half of the rack weighs less than 25 lbs.
- Has four built-in tie-down loops at the crossbars, two rope cleats on the rear legs for use with ropes, straps, bungee cords or ratchet straps when tying down any type of cargo on your rack.
- Available in black powder-coated steel. All threaded hardware is stainless steel.
- Specifications: Shipping weight is 37 lbs. Rear legs are 14 gauge x 1.25" square tubing. Ships in a 60 x 7 x 6" box.

U.S. Rack Product Warranty

U.S. Rack™ products are warranted for a period of one year against all structural defects in materials and workmanship provided that they are assembled, installed, and used in accordance with all manufacturer's specifications and instructions. U.S. Rack cannot warrant the powder-coating on its products. See merchandise return policy.

The Sport Trac Dual Rack Crossbars are reversible.
 Flip it to put the **round** Yakima-sized Bar On Top

or the **rectangular** Thule-sized Bar on Top

Yakima Mako Saddles

Thule Hydro-Glide

Both types of accessories can be mounted on the Sport Trac Dual Rack to carry Kayaks or Canoes or watercraft can be mounted directly onto the Sport Trac Dual Rack.
